

SPEAKERS NEEDED!

LEND

Laboratory Education from North Dakota
Online Laboratory Continuing Education

University of North Dakota School of Medicine
and Health Sciences

- Share an area of expertise or an interesting case with your colleagues
- Record the lecture from the comfort of your own home or office
- LEND will send you the recording materials
- LEND reaches hundreds of laboratory professionals

If you or someone you know is interested in recording a seminar for LEND, contact Chris Triske, LEND Coordinator, for more information.
